OBR – Other Bible References

What exactly is **OBR** and how does it work in Datarizer Holy Bible Concordance version 2? A group of scriptures put individually together in Custom View may not be easy to retrieve by using a keyword and search a different bible. It is possible to put these scriptures individually, but it will take sometime. OBR work with scriptures in Custom View and across all the bibles except the Afrikaans bible (Die Bybel).

These scripture were not obtained by one search, but by searching through the entire bible using several keywords, phrases and concept search method.
